Safety instructions

1.1. Please read these instructions fully before starting assembly and keep it for future reference.

1.2. This product is intended to be assembled and used only as described in these instructions. The improper assembly of the wardrobe can lead to overturning and injuries. When necessary consult with an expert. **IMPORTANT!** Screws or fittings for the attachment to the wall are not included in the components. Please consult with an expert regarding your wall type and the matching fittings for the wall attachment. The attachment belt for the wall is included. The attachment to the wall is mandatory.

1.3. Assembly will be easier with 2 people.

1.4. The manufacturer is not responsible for the improper assembly of the item.

1.5. Do not use the changing table if any parts are broken, or missing.

Before assembly check parts for shipping damages.

After assembly, shipping damages won't be accepted.

1.6. Do not use the changing table on uneven surfaces.

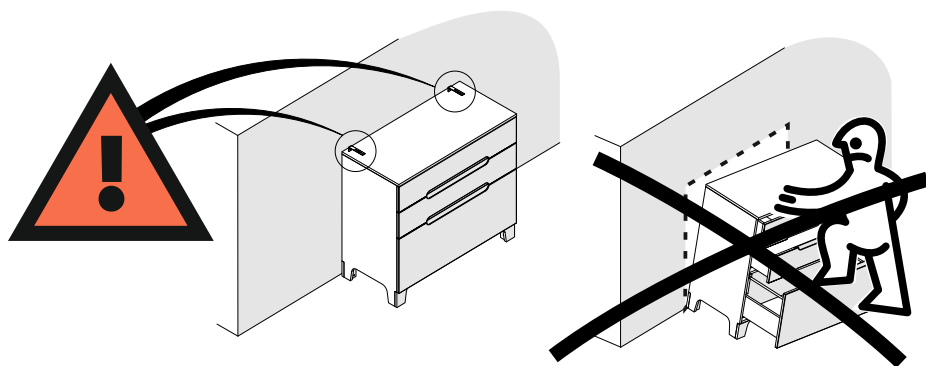

1.7. Check the fasteners periodically.

2. Care advice.

2.1. It is recommended to use the furniture in a ventilated dry room at the air temperature not lower than +10C and at the relative air humidity from 45% to 70%.

2.2. Only clean by using damp cloth and mild detergent. Do not use bleach or abrasive cleaners. At the end, make sure to wipe the furniture with dry cloth. Moisture may cause cracks on the wood and coating. Please do not use microfiber cloth.

2.3. The furniture should be protected from direct sunlight, should not be located near heating appliances.

WARNING!

**IT IS MANDATORY FOR THE WARDROBE
TO BE ATTACHED TO THE WALL.**
